Description: In honor of our annual celebration of Yeshua's birth, Yeshua and Aaron (both channeled through Barbara Brodsky) have offered to come forth and speak to us about the importance of Divine Birth, not only Yeshua's but our own. We are all birthing into highest consciousness! We celebrate ourselves! Divine Consciousness is the essence of each of us. It is vital to remember who we are, and increasingly, learn to bring this high vibration and awakened Heart to the earth plane, for the highest good of all.

Channeled teachers, channeled by Barbara Brodsky, founder and guiding teacher of Deep Spring Center.

Aaron is a spirit who has been a Buddhist monk and scholar in many previous lifetimes and is a being of great love, compassion, wisdom and gentle humor. In his final lifetime, he was a Vipassana meditation master in the Theravadin tradition, but reminds us that, like us, he has lived in many different bodies and followed many spiritual paths.

Yeshua is a spirit who reminds people that in his lifetime as Yeshua he walked in darkness at times, how he reconnected with the light and how you can reconnect to the light.
